

I can brag because I was given a special Invitation to this site. I was the very first person to sign up on Soukous.com Been a blessing working with [Zikimoto](#) (Click link to see Ziki's Biography)and giving back with several contributions.

I happen to be one of those special Editors policing the site to keep it as clean as humanly possible. Glad Ziki has given me the powers to ban or delete offenders if need be.

Every member and Musicain can Post, Pictures, Videos, Music(Only Musicians), Blogs, Vote on profiles and everything listed above, write comments on any of the above or comment on anyone else's profile.

Artists (Musicians, Dj's, Producers, Promoters, Labels, Dancers etc) you will be amazed what you can do with this site. Advertise, Promote, Sell or even give away your Music or concert Events anywhere in the WORLD!

Just sign up and if you need help ask. It is a great promotional site. Once you post your songs you can set each song so people only hear 20%, 30%, 40%, 50%.....75% or 100% of the song. And you can change it in 2 seconds if you need to, very easy! The settings for each song are separate so one song can be set to play only 65% or for Free download and the rest of the songs will appear in your Music store for sell if you want to. You don't have to sell if you don't need to.

If you are a Musician and have a Paypal Account you are ready to sell your music on soukous.com. That is all you need and you will get an email the second a song is sold so you know exactly what song was sold and when.

Oh Did I mention the site Lists upcoming concerts too? Musicians you can List upcoming concerts right in your profile if you do not know how just send us a ticket from your profile. Example upcoming events are here [UpComing Concerts](#), [Festivals or DJ Events](#) anywhere in the world! Regular users and Listeners can List events too, Concerts, Dj Events Parties etc. soukous.com will atomaticly provide a map if you enter the correct Street address.
